# ASSESSMENT OF ENEMY SITUATION (Short term)

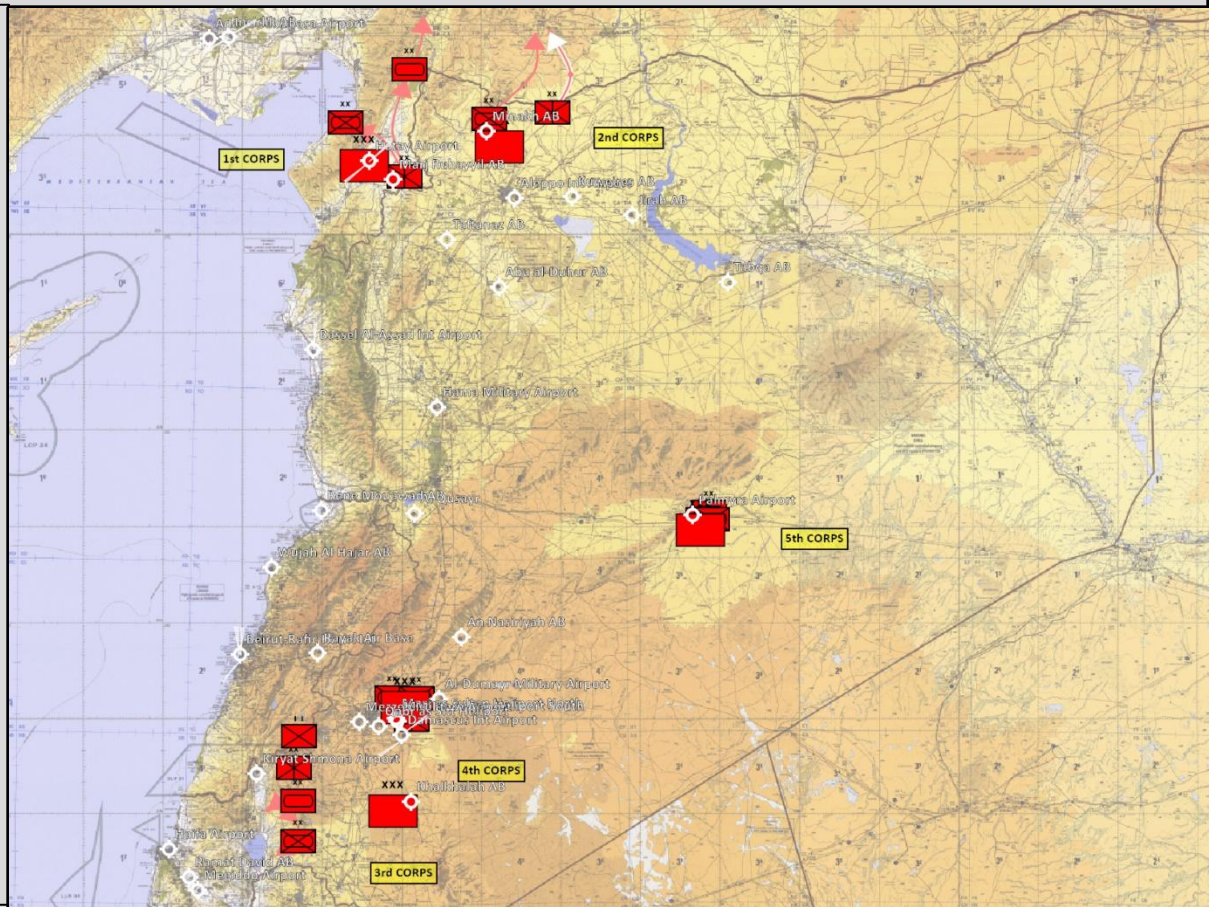

10th Armour Division is anticipated capture and hold vital crossroad between Incirlik and Gaziantep. Spearheaded platoons are very close to the crossroad.

2nd Corps is expected to hold until 10th Armour Division reaches its position.

3rd Corps will remain in a current hold waiting for the inevitable attack from Israel and its allied. 32nd Motorized Division seems to be further to the west which can be an indication of Syrian forces trying to take Kiryat Shmona Airfield and low country all the way to the Lebanon border.

4th Corps have shown no indication of movement so far and is anticipated to stay and protect Damascus

5th Corps will continue preparing to move if needed.

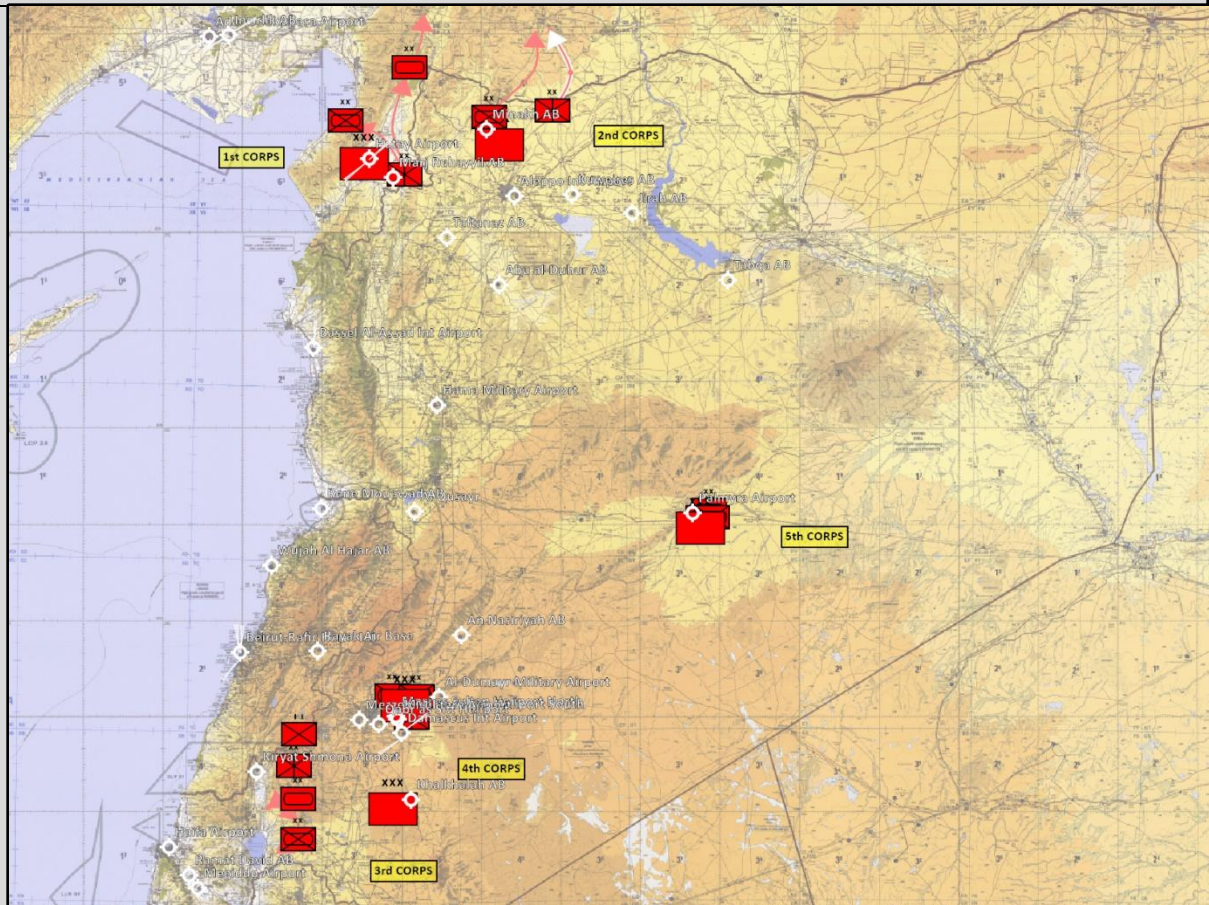

# ASSESSMENT OF ENEMY SITUATION (long term)

Long term Syria is expected to take as much land as possible to position itself as a force to be reckoned with.

It will give the country a better leverage in the future during international negotiations.

# INTELLIGENCE GAPS

## Where are the Syrian SCUD units?

Are there any movement to positions of 4th Corps and 5th Corps and if so in which direction?
